Dubuque County Historical Society 350 E 3rd St Dubuque, IA 52001 Attention: Kurt Strand

Dear Mr. Strand:

Enclosed are the original and one copy of the 2023 Exempt Organization returns, as follows...

2023 Form 990

2023 Form 990-T

2023 Illinois Form AG990-IL

2023 Iowa Form IA 1120

2023 Minnesota Annual Report

2023 Wisconsin Form #1952

Please review the returns for completeness and accuracy.

We recommend that you use certified mail with post marked receipt for proof of timely filing.

In addition, we have included a separate public disclosure copy of the Form 990 and Form 990-T (if applicable) on our secure portal site. All exempt organizations are required to have a copy of their current year Form 990 and two prior year returns available for public inspection. If the Form 990 includes a Schedule of Contributors (Schedule B), we have removed the names and addresses of contributors from this return, as this information is not open to public inspection. Only organizations exempt under 501(c)(3) must make the current year Form 990-T and two prior year returns available. Please print and sign the public disclosure copy(ies) and keep them available at your primary office location.

We prepared the returns from information you furnished us without verification. Upon examination of the returns by tax authorities, requests may be made for underlying data. We therefore recommend that you preserve all records which you may be called upon to produce in connection with such possible examinations.

Many states require legal entities to register with them in order to do business in their state. Please remember to keep your registration active and current for each state where you have business activities.

We sincerely appreciate the opportunity to serve you. Please contact us if you have any questions concerning the tax returns.

Sincerely,

Part III, line 1a:

The Society's collections are made up of artifacts of historical significance, art objects and similar assets that are held for educational, research, and curatorial purposes. Each of the items is cataloged, preserved and cared for; and activities verifying their existence and assessing their condition are performed continuously. The collections are subject to a policy that requires proceeds from their sales to be used to acquire other items for collections.

The collections, which were acquired through purchases and contributions since the Society's inception, are not recognized as assets on the statement of financial position. Purchases of collection items are recorded as decreases in unrestricted net assets in the year in which the items are acquired. Contributed collection items are not reflected on the financial statements. Proceeds from deaccessions or insurance recoveries are reflected as increases in the appropriate net asset classes.

Part III, line 4:

The River Museum and Historical Society have collections that interpret the dynamic story of life on the Mississippi River, the rivers of America, and Dubuque, Iowa. They include buildings, boats, artifacts, tools, trade items, settlement artifacts, paintings, original manuscripts, books, and other materials which help interpret the history of Dubuque, the Mississippi River, and the Nation.

Part V, line 4:

The board has stipulated the allocation of investment income in excess of

5% annual return be added first, to permanently restricted investments, with the excess to operating investments. As it is the society's policy not to spend down the endowment funds, the society believes that the current spending policy, despite occasional adverse market conditions, will allow it to meet its objectives. This is consistent with the society's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment returns.

Part X, Line 2:

Management believes that the Organization has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the financial statements. The Organization would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred.
